

Questions to Ask After Treatment

- What are reasons that I should call you after my treatment ends?
- How and when will I know if I am cured of cancer?
- What are the chances that the cancer will come back?
- How often do I need to return for checkups?
- What are the concerning long-term side effects? How can I monitor for these?
- How soon can I go back to my regular activities? Work? Sexual activity? Exercise?
